

We share because YOU care--Neighbors Helping Neighbors!

New Hope provides emergency assistance to approximately 2,000 needy families from centers in Mechanicsburg, Dillsburg and Dover. Over 450 at-risk young people attend New Hope's children and youth programs to help them learn the skills and character traits they will need to break the cycle of poverty.

An estimated 300 community volunteers donate over 15,000 hours of time and service to New Hope each year.

84% of donations to New Hope go directly to programs and services for clients.

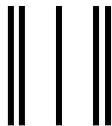

More than 40% of our clients are young children--estimated at over 2,100 in crisis or at risk of homelessness!

Areas of emergency assistance include food pantry, utility bills, transportation, housing/rent, holiday special programs and **HOPE!**
